Dear Parents,

Re: Election of New Officers for Friends' Committee

Following the Annual General Meeting of the Friends' Committee, held on 28th September, the following officers were elected to sit on the Friends' Committee.

Chairman	Linda Askew
Vice-Chair	Tracey Carey
Treasurer	Angela Hopwood
Secretary	Jayne Williams
Hon. Auditor	Haynes Watts
Governor Rep	Mina Crisp
Staff Reps	Liz Harris and Simon O'Malley
President	Vincent Darby (as Head of school is automatically elected)

The Executive Committee comprises all those above plus any parents present who wished to be included, and the Committee welcomes any assistance parents are able to give at forthcoming events.

If for any reason, you were unable to attend the meeting and would like to become part of the Friends' Committee, please email the Head's PA, Jann Boss, (headspa@wgs-sch.net) who will be happy to forward your name and telephone/email details to the Chairman and Secretary.

Change of date:

Whilst writing, I would like to draw your attention to a change to a published event. It was originally planned to have the Quiz night on Friday 16th October, but at the meeting last night, it was felt that because this is the start of the half-term holiday, some people may be going away and thus not be able to attend. It was decided to move the Quiz to **Friday 13th November**. Flyers advertising this will be circulated nearer the date and a notice will be put on the website.

Best wishes,

Vincent Darby
Head
