## Note from the Head

I am sure that all the children are looking forward to their half-term break. I hope they get a chance to recharge their batteries and come back ready for another busy half-term. I hope that all the children will read at least one book over the holidays.

## Matches this week

It was good to see the Year 3 and 4 girls in action this week with a hard fought game against Heathfield School. For most of our girls this was their very first competitive game in any sport. The fact that they scored three goals in a defeat was an excellent performance.

## Pearl of Africa

The children were treated to an amazing performance of African dance and music from the travelling Pearl of Africa choir. The choir then led workshops with our Year 5 and 6 children. I was pleased a considerable number of our children joined the choir for an inspiring evening concert in Big School.

## Parents' Evening and Reports

I hope that you found the parents' evening to be useful and that the reports reflect the effort your child has made.

## Young Enterprise 'Back to the Future' Disco

As part of our Skills programme, the Young Enterprise Group organised a disco for the school. They dealt with issues such as

tickets, profit /loss prediction, marketing and all other necessary organizational issue. The children did a great job and thoroughly enjoyed the evening.

## Harvest Festival

On behalf of the Good Shepherd hostel, I would like to thank parents for all their generous contributions of food. A special thanks must go Mrs Pawluk who organised the service and all the choir and readers.

## Thanks

Finally, I would like to thank all the staff for all their hard work and commitment. The school is very lucky to have such a talented team.
