

WOLVERHAMPTON GRAMMAR SCHOOL

BEHAVIOUR MANAGEMENT POLICY

Junior and Infants

At Wolverhampton Grammar School ("the School"), our community is based upon respect, individuality, equity and kindness. The School aims to encourage pupils to adopt the highest standards of behaviour, principles and moral standards and to respect the ethos of the school. Promoting the emotional well-being of all of our pupils is key to their development. The School aims to teach trust and mutual respect for everyone. It believes that good relations, good manners and a secure learning environment play a crucial part in the development of intellectually curious pupils, who are motivated to become life-long learners. The school develops qualities of teamwork and leadership through its extensive programme of extra-curricular activities.

Wolverhampton Grammar School is an inclusive community. Pupils from a wide variety of ethnic and social backgrounds and faiths are welcomed. Everyone is treated as an individual. The school's aim is that each person develops such that they are equipped to take their place in the modern world.

Wolverhampton Grammar School's staff will not threaten or use any form of corporal punishment when setting out its sanctions for poor behaviour amongst pupils.

Code of Conduct

The School believes that positive behaviour is established through creating an environment in which good conduct is more likely and poor conduct less likely. This behaviour is taught to all pupils, so that they understand what behaviour is expected and encouraged and what is prohibited. Positive behaviour is recognised and celebrated through the School's rewards systems, while sanctions are used fairly, proportionately and consistently where expectations are not met. Both positive reinforcement and sanctions are important in supporting the School's culture and standards.

The School's community of Directors, staff, parents and pupils adhere to an established routine and code of conduct that is exemplified through assemblies, interactions inside and outside of the classroom (as well as communications to parents), clear expectations of behaviour through relevant Wellbeing/PSHE and with information and communication across all staff and, particularly, tutors (including the display of WGS expectations and rewards and sanctions in classrooms). The school expects the highest values and standards of behaviour inside and outside the classroom, as well as outside the school and in any written or electronic communication concerning the school.

The School sees education as a partnership. Our staff are committed to excellence, aiming to achieve a spirit of trust and co-operation. Parents are expected to support the School's expectations regarding behaviour and to work constructively with the School in the implementation of this policy.

Pupils must treat staff and each other with consideration and good manners and respond positively to the opportunities and demands of school life. Pupils should follow the School Rules and associated policies and understand what is expected of them and why sanctions may be imposed for inconsiderate behaviour.

Everyone has a right to feel secure and to be treated with respect; particularly the vulnerable. Harassment, bullying and physical threats or abuse in any form will not be tolerated, including online,

or outside of school. The School's Anti-Bullying policy is available on the school website. The School is strongly committed to promoting equal opportunities for all, regardless of race, religion, culture, sex, gender, sexual orientation, special educational needs, disability or learning difficulty, marital status, pregnancy and maternity, or the fact that a pupil is adopted, looked after or is a carer. The School takes its duties under the Equality Act 2010 seriously and makes reasonable adjustments for pupils with special educational needs/disabilities including consideration of the support that has been provided to the pupil (at the time of the incident and beforehand) and whether this was adequate.

The School expects pupils to be ready to learn and to participate in school activities. They should attend school and lessons punctually and meet the school's attendance expectations as set out in the school's Terms and Conditions, Attendance Policy and School Rules document. They should care for the buildings, equipment and furniture. The school expects pupils to behave at all times in a manner that reflects the best interests of the whole community. Discriminatory or extremist opinions or behaviours will be challenged as a matter of routine.

The School reserves the right to take disciplinary action against pupils who are found to have made malicious accusations, whether against other pupils, staff or other individuals, which might include suspension or exclusion.

All staff review the behaviour management policy on an annual basis and new staff undertake a range of induction sessions including a focus on pastoral care, behaviour management and rewards and sanctions. Staff remain highly visible to pupils throughout the school day with senior staff and pastoral leaders being highly visible to pupils particularly during break and lunchtimes as well as being available to parents via email, telephone and by appointment.

Involvement of Parents, Guardians and Pupils

The role of Parents and Guardians is crucial to the School developing and maintaining good behaviour. Parents and guardians who accept a place for their child at Wolverhampton Grammar School undertake to uphold all the School's policies and regulations when they sign the Parent Contract. They are expected to support the School's values in matters such as attendance and punctuality, behaviour, uniform and appearance, standards of academic work, extra-curricular activities and homework or private study. The School is always happy to consider suggestions from parents and hopes that parents find the School responsive and open-minded.

All pupils deserve to learn in an environment that is calm, safe, and supportive. The School promotes an ethos of good behaviour where pupils treat each other with dignity, kindness and respect at all times, inside and outside of School, and online. We work closely with all pupils as they transition through the School, from the day they start at the school to the day they leave. The ethos of and respect for the school is enhanced when pupils contribute constructive suggestions in form time, via the School Parliament, Peer Mentors, House Captains, Vice-Captains and Prefects and through lessons or to any teacher.

In the event of any behaviour management issue, the school will liaise closely with parents and, if relevant, other support agencies including Wolverhampton safeguarding board (Wolverhampton Safeguarding Together).

Unexplained Absences

We will always telephone parents on the first day of an unexplained absence to determine the pupil's whereabouts, in accordance with the School's safeguarding obligations, Attendance Policy and the School's Missing Pupil Procedure.

Please note that it is usually the Directors' policy not to allow holiday to be taken during term time unless in exceptional circumstances.

School Rules

The school's rules and regulations are designed to encourage positive behaviour and self-discipline. The Junior and Infant rules are appended. Our aim is to reward and encourage good behaviour through a system of positive rewards. Aside from Dojos, awards and demerits are applied through the ePraise platform.

Positive Rewards

Are awarded as follows:

- Dojos- each class has a set on "Class Dojo". Dojo points can be awarded for a variety of reasons e.g. good listening, a good answer, hard work, a good piece of work
- Good Conducts – acts of selfless service to the school community, over and above that which would normally be expected of a WGS pupil.
- 3Cs (care, courtesy, and consideration) Nominations – for exceptional acts of service in or out of school
- Commendations – for excellent work
- Head's Commendations – for outstanding work

Mobile Phones

The Junior and Infant setting is a mobile phone free environment. The School has regard to the DfE guidance *Mobile phones in schools* (June 2026) and ensures that Junior and Infant pupils do not have access to their mobile phone at any point during the school day. In addition, pupils in the Junior and Infant setting should not bring their mobile phone to school unless they are using school or public transport. If phones are brought into school, they must be handed in at Reception.

Demerits

It is vital that each teacher regards the conduct of pupils as their responsibility. Sanctions help set boundaries and to manage challenging behaviour.

When an act of poor behaviour occurs, a pupil should be asked to desist. If poor behaviour continues, the teacher may decide to move the pupil to a different location in the classroom in order to give them the best possible chance of amending their behaviour. On the rare occasion this does not solve the problem, the pupil should be given a demerit through ePraise. A Demerit should be accompanied by a phone call home from the students form tutor.

Sanctions

The Head of Junior and Infants undertakes to apply any sanctions fairly, and, where appropriate, after due investigative action has taken place. Sanctions may undergo reasonable change from time to time but will not involve any form of unlawful or degrading activity. Examples of sanctions include:

- staying in at break time and/or lunch time
- withdrawal of privileges;
- withdrawal from a lesson or lessons, school trip or team event;
- suspension (internal or external) for a specified period, removal, or exclusion.

Pupils and parents should be clearly aware of the more serious sanctions, including temporary and permanent exclusion, that the Head of Junior and Infants can impose for serious breaches of the rules and regulations (including criminal behaviour). A balance of probabilities test will apply to whether or not breaches of the rules, or misconduct has occurred. Examples of serious breaches of the rules and regulations include:

- physical assault/threatening behaviour
- fighting
- theft
- damage to property
- bullying: verbal, physical or through social media (cyberbullying)
- persistent disruptive behaviour; and/or
- racist or sexist abuse
- sexual harassment
- malicious allegations against staff
- parental behaviour.

The decision to exclude a pupil is a serious one. Typical reasons for exclusion are:

- As a final step, after a concerted effort for dealing with disciplinary (or non-compliance) issues following the use of a wide range of strategies, has been employed without success, or where a pupil's presence in the school could be deemed detrimental to the safety or learning of others in the school community;
- In circumstances of exceptional behaviour (or defiance), where it could be deemed appropriate to exclude for a first or one-off offence. In such instances the school may consider police involvement (or the involvement of other authorities).

Following a decision to exclude a pupil, parents are entitled to request a review of the processes leading to the decision. Details of the review process will be provided by the Head at the point of exclusion.

In applying sanctions, especially those with serious consequences, Wolverhampton Grammar Junior and Infants undertakes to take reasonable steps to avoid placing pupils with a disability (including SEN) at a disadvantage compared to pupils who are not disabled.

Wolverhampton Grammar Junior and Infants has a confidential central register of all sanctions imposed for serious misbehaviour. The entries on this register include the pupil's name and Year group, the nature and date of the offence and the sanction imposed. This register is reviewed regularly by the Head and DSLs to identify trends in behaviour.

Physical Restraint

Please see the School's policy on Restrictive Interventions.

Teaching and Learning

Wolverhampton Grammar Junior and Infants aim to raise the aspirations of all pupils and to help them to appreciate that there are no barriers to their potential achievements both inside and outside the classroom. Pupils are encouraged to take responsibility for their own learning. Success is celebrated, the positive is emphasised and negative facets are dealt with in a sensitive and tactful way. The teaching staff offer every pupil a high level of individual attention together with consistent and helpful advice. In return, the school expects every pupil to co-operate and to work hard.

Complaints

Wolverhampton Grammar School hope that parents will not feel the need to complain about the operation of its Behaviour Management Policy and that any difficulty can be sensitively and efficiently handled before it reaches that stage. However, the School's Complaints Policy is on the website or available on request.

Wolverhampton Grammar School

Junior and Infant Rules

School Philosophy:

- **We are always kind**
- **We are always polite**
- **We always try our best**

Our school was founded in 1512 to provide a good, moral education and that same goal motivates us today. The Junior School was founded in 2011 and is an inclusive, happy and inspiring community where all children are encouraged to flourish academically and personally.

We are always polite

I will treat people how I wish to be treated

- You should use good manners when speaking to any member of the school community.
- You should listen carefully when others are speaking.
- You should follow instructions from staff respectfully and positively.
- You should speak to others in a courteous and considerate way.

I will take pride in myself and my school

- You should take pride in your appearance and school uniform.
- You should arrive at school ready to learn each day.
- You should look after school equipment and the environment around you.
- You should represent Wolverhampton Grammar School positively at all times.

We are always kind

I will respect, support and care for other people

- You should treat others with kindness and consideration at all times.
- You should use your right to a voice in a courteous, constructive and responsible way.
- You should take action if you believe another person is being bullied or treated unfairly.
- You should celebrate and respect the differences between people.

I will help make our school a happy and inclusive community

- You should include others in activities and friendships whenever possible.
- You should offer help when someone is finding something difficult.
- You should look after the wellbeing of others and seek help if you are worried about someone.
- You should help create a school where everyone feels safe, valued and respected.

How to Seek Help

The best way to seek help with any problem is to approach your form tutor. If the problem needs dealing with out of hours, or you feel that subject is too sensitive for a face-to-face conversation, then the **'Worry Box'** found in the Junior School Pupil Area in Firefly is the best way to get help. You can also include any worries or concerns you have in the half termly wellbeing survey.

The School Day

School hours

Pupils should be on site by 8.35am. The school day begins at 8.40am and ends at:

- 3:15pm for Infants
- 3:45pm for Year 3 and 4
- 4pm for Year 5 and 6

On school days the school is open from 8.00am to 5.30pm. A breakfast club operates from 7:30am – 8am for a fixed fee. Similarly, an extended late club is available from 5:30 – 6:15pm, again at a fixed fee. Your parents should note that, outside those hours, no responsibility can be accepted for pupils, parents, or others on any part of the school's property unless attending a specific activity, function or event, arranged and supervised by the Directors, Head or staff of the school.

You will frequently stay at school for sports fixtures, clubs, or rehearsals. This kind of involvement with the school's life outside the classroom is an important part of your broader education. Pupils not attending a club, activity or rehearsal must attend homework until collection.

The Ground Rules

Uniform

The purpose of having a school uniform is to ensure that all pupils are identified with the school and all appear neat and unobtrusive. All pupils should wear uniform in accordance with the published school uniform standards which can be found on the school website (<http://wgs.org.uk/school-life/uniform/>). It is important that pupils, staff, and parents work together to maintain the school's high reputation regarding uniform standards. Some key points include:

- You must appear neat and tidy and smart at all times
- Black shoes must be worn at all times - high heels or stilettos must not be worn.
- Skirts must be exactly as those purchased from the school suppliers
- Sports kit is worn to school on PE days and Fitness Friday
- Hoodies are not part of uniform and must not be worn.
- **All items should be named** – unnamed items make it near impossible to return to the owner if lost.

Uniform outside school

You must wear school uniform with tie for journeys to and from school, in school, for all official school functions, and all school trips unless a teacher gives specific instructions to the contrary. After games lessons and sports fixtures, you may go home in your sports kit.

Hair

- Must be neat, tidy, and unobtrusive.
- Must be coloured naturally; harsh or striking colour variation is not permitted.

Jewellery and Personal Decoration

- None is best, but pupils may wear a single pair of plain earrings or studs.
- Jewellery may not be worn when playing sport.
- Belts should be discreet. Large, decorative, or colourful belts are inappropriate.
- Lapel badges may not be worn (except for school-issue badges e.g. House Captains, School Council etc).

Coats and Bags

- The school coat must be worn, and the school bag must be used. Coats and bags should be deposited in the cloakroom or Year 5 & 6 lockers.

Valuables

- Don't bring valuables into school, except your iPad.
- Pupils should not bring in mobile phones. An exception to this is where pupils travel by public transport to school. All phones should be deposited in reception each morning.

Safety for sport/outdoor pursuits

In the following sports the School requires pupils to wear protective items, even in practice. No pupil will be allowed to participate without such protection where it is specified.

- Cricket - helmet (for all batters, and fielders when close to the bat)
- Football - shin pads
- Hockey - shin pads and mouth guard
- Rugby - mouth guard

You at School

Coming and Going

- You must be at school for morning registration at 8.40am
- If you are late and miss registration, you must sign in at reception.

Absences

- All absences must be supported by a parent – pupils will not be permitted to leave the school site without written or verbal notification to a member of staff from a parent/guardian.
- Permission to miss a Games/PE lesson (for example because of injury) should be provided in writing by your parents. Where a long-term injury occurs, a doctor's note may be required.
- Permission for planned absence (of more than one day) should be sought in advance in writing from the Head of Junior and Infants.

Duty of care

Keeping Children Safe in Education is a government document (which is available on the internet) that stresses the duty of all citizens to be alert for signs of child abuse and to take action when they see or suspect it. In all such matters the protection of the child is paramount. Schools have a particular responsibility for child protection. Wolverhampton Grammar School will take action in cases of suspected abuse and seeks the support of parents in the protection of pupils.

Everyone should be aware that pupils who are suffering abuse may be too frightened to tell anyone: they need encouragement and sympathy if they start to talk about their problems.

Any allegation or suspicion of abuse by one or more pupils against another pupil must be reported to Mr Peters.

If you are worried about possible child abuse - in connection with yourself or with someone else – you should talk to a member of staff. School encourages an open atmosphere in which you can talk to anyone with whom you feel comfortable.

The member of staff will treat any information you give with discretion, only passing on information on a need-to-know basis.

School Anti-Bullying Statement

‘The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online’. Anti-Bullying Alliance.

All bullying is unacceptable and there is zero tolerance for bullying. No one at school should ever be made to feel unhappy, undervalued or humiliated. Deliberate repeated unkindness or any action that gives hurt, whether verbal, physical or mental and whether intended or not, are bullying and will not be tolerated between pupils or teachers and pupils.

It is bullying to repeatedly write notes, make phone calls, send electronic messages or create or post them on websites if they might offend, hurt, annoy or worry anyone, whether it is a pupil, teacher or someone else. From home, from school, from anywhere, it is still bullying.

Pupils have a right to privacy of property and personal information in school. It is dishonest and can be a form of bullying to go into another person’s pocket, locker or bag, read a private document or electronic message or use someone else’s computer ID (however, see ICT Statement re staff supervision of pupil computer access).

The Junior and Infants is a happy and friendly community in which everyone respects, supports, and cares about everyone else. It is our aim to ensure that is always true. The school will take the firmest action against any bullying, teasing, harassment of any kind, or other form of hurtful or negative behaviour. Attacks on perceived differences, including prejudiced-based bullying because of protected characteristics, are always unacceptable and are taken particularly seriously.

The school works hard to create an open atmosphere in which pupils are able to speak out without fear and to seek justice for themselves and for others. Any pupil who feels unhappy or threatened should not regard it as a private or personal problem but should seek the help of a friend, senior pupil, teacher, peer supporter or counsellor.

It is the duty of everyone who sees an instance of bullying – or potential bullying – to act to stop it. This duty applies to all pupils, teachers, and other members of staff.

Parents and pupils who are worried about bullying issues should contact the Head or any other member of staff about their concerns.

How to Seek Help

The best way to seek help with any problem is to approach your form tutor. If the problem needs dealing with out of hours, or you feel that subject is too sensitive for a face-to-face conversation, then the **'Worry Box'** found in the Junior and Infant Pupil Area in Firefly is the best way to get help.

School Equal Opportunities and Race Equality

Every pupil and employee at Wolverhampton Grammar School has the right to equal opportunities irrespective of:

- gender, age, race, pregnancy/maternity status, religion, and political beliefs.
- differences of domestic or social circumstances, disability, physical appearance, sexuality, or gender assignment.

Personal Information

The school will collect, use, and return personal information about you during your association with the school. Further information is available on the Privacy Notice for Pupils and Parents, which can be found on the school's website.

Complaints and Concerns

If you or your parent(s) are worried about something or wish to express a concern, it is normally best to start by going to the person most closely connected with you, such as your Form Tutor. If it is a problem with a subject, start with your subject teacher. Only you and your parents can judge who is the right person to contact about your particular worry. Parents can leave a telephone message or send an email, asking staff to call them back when convenient.

If you are unsure who to contact, feel the concern is serious or that it has not been dealt with fairly, then you should communicate directly with the Head by email or phone.
