SPORTS, FITNESS & WELLBEING

It is a great honour to be selected to represent your School in a sports team, so make the most of every opportunity offered to you by the Sports Department for training and additional coaching sessions. All sports are open to boys and girls.

Older Senior School students can also use our school gym during supervised sessions. Speak to the Sports Department if you want to learn more about using the weights and equipment in the gym.

Wolverhampton Grammar School is a busy environment for staff and students. Clubs and activities are added all the time and some may change. Parents and students are advised to check with Form Tutors, their Head of House, Firefly or School Reception in case of any amendments to the weekly schedule.
